THE FEAST OF CORPUS CHRISTI the Body and Blood of Christ, invites us to worship and adore and lift up our hearts in praise and thanksgiving to God for the gift of the Eucharist. For Catholics the Eucharist is not simply a memorial but something much more radical, shocking and miraculous. The host, through the prayers of the priest becomes the Body and Blood of Christ, in what the Church fathers called 'transubstantiation'. Christ is made real and present to us. We eat and consume the actual body and blood of Christ.
