THE NEW TRANSLATION - the four presences of Christ - The Second Vatican Council reminded us of our ancient faith: Christ is always present in his church, especially in its liturgical celebrations. So, each time we come to Mass we experience the presence of Christ in four different ways: (1) Christ is present in the congregation - the people gathered together (2) Christ is present in the person of the priest (3) Christ is present in the Scriptures that we listen to during Mass (4) Christ is present in the bread and wine when it becomes Christ's Body and Blood. The more we are able to understand and join in the Mass, the more we will come to live it. The new translation will help us to do that because the words we will now use will say more clearly what our faith is teaching us.
