CONFIRMATION - Congratulations to our young people who received the Sacrament of Confirmation this week, please remember them in your prayers. Thanks also to our Catechists and to all who helped in many ways.

THE NEW TRANSLATION - Biblical influences As we use the new translation we will perhaps notice more biblical connections than we have been used to. The texts of the Mass are precious to us, partly because they were inspired by the bible. These words have come down to us over the centuries, and most of the words we speak at Mass are rooted in the bible. When we gather for Mass, we are praying with words that have been given to us by our ancestors, who knew the bible well and prayed it well. The revised translation tries to make the connections between the bible and the Mass more clear than it is now. It will also mean that we will have some new music for Mass, to take account of the changes. Over the coming weeks we will be looking at some of the revised words we will be saying and hearing.
