Thought
for the
week

We have two ears and one mouth so that we can listen twice
as much as we speak.

THIS WEEKEND WE WELCOME

Fr. Frank Nolan who is a White Father. The White Fathers are an international team of priests, brothers and lay associates from Africa, Britain and many countries around the world. Any ministry which has a real relationship with Africa, no matter in what part of the world it may be, is considered by the White Fathers to be within the scope of the apostolate. Through parish work, building up small Christian communities, working with the media, involvement in justice and peace, agriculture, seminary training, education and social welfare the White Fathers aim to work in partnership with the Church in Africa ... and above all else help to build up the leadership of the Churches. There will be a retiring collection.

WE ALSO WELCOME Fr. Gerry White who will concelebrate at the 6.00pm Mass
