HOLY YEAR OF MERCY - Pope Francis said 'Dear Brothers and Sisters I have thought about how the Church can make clear its mission of being a witness to mercy. It's a journey that starts with a spiritual conversion. I am convinced that the whole Church will be able to find in this Jubilee the joy of rediscovering and making fruitful the mercy of God, with which we are called to give consolation to every man and every woman of our time. Mercy is the best thing we can feel: it changes the world. A little mercy makes the world less cold and more just. We need to understand properly this mercy of God, this merciful father who is so patient.'

THE COLLECTION AT THE CRIB at both churches will be to support the Baby Feeding Centre in Sudan.
