THE NEW TRANSLATION - when and how will it be introduced?

Although we have already received the official approval from Rome, it will be some time before the new translation is being used in our parishes. We will all begin using the new texts at the same time to avoid any confusion. It is planned we will be able to celebrate Mass in the new translation from September onwards. This gives us plenty of time, over the next few months, to learn something about the changes, about how they will affect us and our liturgy and why they have been made. There will be a lot of resources available to help us to do this, both locally and nationally. As well as the information that will appear in this newsletter, there will be lots of internet resources. There will also be parish or group sessions which will help us to explore the new translation and our understanding of the Mass. Please pray that we will all make the most of this opportunity to learn more about the Mass and to deepen our relationship with Christ. If you want to find out a bit more, why not look at the Liturgy Office website - <http://www.liturgyoffice.org.uk/> One of a series of resources produced by the Liturgy Office of the Bishops' Conference to accompany the introduction of the 3rd edition of the Roman Missal 2011 Catholic Bishops' Conference of England and Wales.
